

Opportunities to Serve within the Community

For more information, please contact: Serving & Outreach Department, serving@fmcm.org, 817.477.2287

Angel Tree

This program gives our church family the opportunity to provide help at Christmas to children from low-income families within the MISD and needed items for our homebound, elderly members, and military members who have a connection to our church family.

Big Hope

BIG HOPE is a mentoring program to assist at-risk children in our community. Members of our church are matched with a child and meet one-on-one for one hour each week. We currently partner with Alice Ponder Elementary School.

Disaster Response

Support from our church helps fund UMCOR, a worldwide ministry of the United Methodist Church that provides disaster response and ongoing relief efforts wherever needed throughout the world

Feed the Kids for Summer

This is a Common Ground Network program that provides bags filled with child-friendly food to children in the Mansfield ISD who receive meals through the free and reduced lunch program during the school year. The children also have the opportunity to be a part of a reading program that encourages them to keep reading during the summer.

G.R.A.C.E. Homeless Ministry

We partner with Beautiful Feet Church to serve meals and share worship. Beautiful Feet is located in Ft. Worth and is committed to ministering to the local homeless population through worship, sharing meals, and other services.

Habitat for Humanity

Our church partners with Trinity Habitat for Humanity, a nonprofit, ecumenical Christian ministry, to build two houses each year in Mansfield, one in the spring and one in the fall.

Hands of Christ

This program helps with minor home repairs for the elderly and disabled in the Mansfield community. No experience or tools needed. Hospitality volunteers are also needed to help serve lunch.

Kairos Prison Ministry

Kairos Prison Ministry International, Inc. is the parent organization of a body of ministries addressing the spiritual needs of incarcerated men, women and children, their families and those who work in the prison environment. Our church participates in Kairos weekends twice a year.

Meals on Wheels

Our church is the drop-off point for the Mansfield area Meals on Wheels program of Tarrant County. Volunteers deliver lunch to homebound persons Monday through Friday.

Project Transformation

Project Transformation is a leadership development program for adults and youth, ages 14 and older, who work with at-risk elementary students in the Ft. Worth area during the summer.

Refugee Ministry

Our church works directly with Refugee Services of Texas to welcome and orient newly arrived refugee families. This includes furnishings for an apartment for the arrival of a family and continued assistance in their first months as they learn English, get jobs, and get acclimated to schools, food, medical care, and customs.
